Toward A State of Esteem
 This book provides insights, statistics and data researched by the powerful California State Task Force To Promote Self-Esteem and Personal and Social Responsibility. It shows how entire communities can work together to help increase self-esteem, and bring about a decrease in crime, drugs, alcohol and welfare.
 151 \$6.00***

Woman's Guide To Loving, Lasting Relationships Prevention Magazine
 This pamphlet is packed with recommendations on starting, repairing, and maintaining healthy relationships. Learn: How to put yourself first, why mother and daughter relationships can be warm, cold, safe, and exasperating at the same time, why you may be addicted to bad relationships, and many more insights to help you develop loving, lasting relationships.
